Managing and controlling VAT can be a complex business.

With ever-changing legislation both in the UK and across EC member states, it can be a significant challenge to ensure VAT compliance and cost control for your business.

That's where we come in.

Ayming specialises in VAT advice and compliance across all market sectors. With two decades of experience helping UK and international businesses with their local and global VAT challenges, we can help take the stress out of managing VAT.

OUR COMMERCIAL VAT SERVICES INCLUDE:

VAT RECOVERY

- End-to-end management of retrospective VAT recovery both in the UK and across Europe

VAT HELPLINE

- Answers to your VAT queries*
Contact us via telephone, email or through our website

VAT TRAINING

- Bespoke training for in-house finance and tax teams

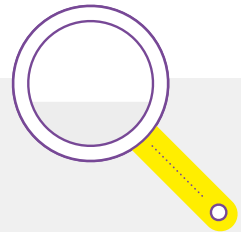

*More complex enquiries are generally treated as a separate consultancy assignment.

VAT AGENT SERVICES

- VAT registrations & de-registrations
- VAT grouping
- VAT returns submissions (*inclusive of checking all relevant purchase and sales invoices, where required*)
- EC Sales Lists and Intrastat Supplementary Declarations
- Option to tax of land and property

VAT ADVICE & COMPLIANCE

- VAT planning & transaction advice
- VAT health checks & return reviews
- New business start-ups
- Land and property VAT advice
- Partial exemption calculations
- Attendance at HMRC visits
- VAT penalty negotiation and mitigation
- General correspondence with HMRC

Why **Ayming**?

Peace of mind that your business is fully VAT compliant, with all overpaid costs recovered and all risks related to under-declared VAT mitigated.

Our tailored approach means we not only offer a 'one stop shop' for VAT requirements, but can also create bespoke solutions of the most appropriate services to meet your needs.

Our dedicated international VAT team are able to help with all your UK and European VAT challenges.

Taking the hassle out of VAT.

Let Ayming do the legwork for you; making the time-consuming process of managing VAT as easy as possible for your business.
